

BS 30

Multifunctional oil based on renewable raw materials

Function **BS 30** lubricates, displaces moisture, loosens seized up parts.
BS 30 is an ideal assistant in workshops, industry and maintenance.

- Properties**
- eco-friendly, based on renewable raw materials
 - free of aromates, mineral oils and silicone
 - lubricates moving parts sustainably
 - displaces moisture
 - high penetration properties, loosens seized up parts
 - loosens impurities
 - protects against corrosion

Meets the requirements of the industry initiative to reduce solvents in offset printing

ISEGA-certified, i.e. suitable for use on machines in the food industry

Application **BS 30** is simply sprayed onto the surface to be treated. The aerosol and the pump spray can also be used upside-down – a great benefit when applying it on hard-to-reach places! zugänglichen

BS 30 is well compatible with metals and most plastic materials and lacquers. Before using it on sensitive surfaces, check compatibility in inconspicuous areas.

Storage Store at room temperature. Do not expose to direct sunlight.

Subjected to appropriate storage, the described properties of **BS 30** remain stable for at least 24 months.

Packaging 500 ml pumpspray, 100/400 ml aerosol, 5 L can, 200 L drum, 1000 L container
