

SCHWEGO® glide 8199

Sliding and antistatic spray

Function: **SCHWEGO® glide 8199** will increase the gliding capacity and prevent any electrostatic charging.

Especially in printing and folding machines, on transport belts and tables it is possible to considerably reduce the friction resistance with **SCHWEGO® glide 8199**.

In addition, the antistatic equipment will support a problem-free course of production.

Properties:

- The friction resistance at metal surfaces is reduced
- Strong antistatic effect
- Protection against rust film
- Repels ink, dirt and adhesive

Application: Evenly spray **SCHWEGO® glide 8199** from a distance of about 25 cm on the areas to be treated.

Tip: Subject to appropriate storage, the described properties of **SCHWEGO® glide** remain stable for at least 24 months.

Packaging: **SCHWEGO® glide 8199** 500 ml spray can

Also available as liquids:
SCHWEGO® glide 8185

500 ml bottle
10 l canister
200 l drum
